In Memoriam

Lorene McKee - who went home to be with her Lord on June 14, 2004 --

dear grandmother to Bonnie Scholl, Gateway's faithful volunteer since 1997. Bonnie is blind, but this hasn't stopped her from serving Him; Mrs. McKee's advanced age (96) didn't stop her from faithfully supporting the Gateway ministry.

Alice Westbrook - who went home to be with her Lord in March, 2004 --

dear mother and mother in law of Rev. Michael and Maria Westbrook, Gateway's Board Chairman and 'First Lady'; a strong supporter of the Gateway ministry.

Andy Andersen - who went to be with his Lord, November 30, 2002

In his own words... "Life's best gifts do not come in little boxes adorned with colorful wrapping paper and large red ribbons. Life's best gifts are in the brilliance of an evening sunset, sweet smelling spring flowers, a gentle summer rain, an ocean's roar, the confidence of friends, love of a spouse, and God's peace in your heart. Not only do I enjoy these gifts but they are part of my life.

My friend, if you have not taken time to enjoy a sunset, smell the flowers, feel God's liquid sunshine, hear the ocean's majesty, communicate with friends, love your spouse as yourself and allow God's peace into your heart, it is not too late."

"My personal and social views are extremely conservative and I am passionate about the pro-life issue." *Andy Andersen*

who went home to be with His Lord, Christmas Day, 2000

"I personally miss his gentle smile, his wisdom, his love of Jesus, and his excitement at the many opportunities for ministry. Although blind, he could see better than most of us. Rev. Chris Larson was a prayer warrior for Gateway.

With his daughter's permission, we established the "Chris Larson Memorial" to raise the \$15,000 needed to fulfill Chris's last desire for Gateway – the purchase and use of an ultrasound machine for the Elizabeth office. Chris himself raised over \$5,000 toward this project.

The Lord blessed us with \$25,000 within 9-months of the establishment of the fund! The new ultrasound machine was brought to our 2001 Banquet, for all our supporters to see what the Lord provided. A plaque was placed on the machine itself, and it was dedicated to the memory of Brother Chris!

Since 2001, hundreds have seen their preborn child via ultrasound. Many have come to Christ as a direct result of the Holy Spirit softening their hearts after they saw their baby on the screen.

In Chris' own words, paraphrasing the emperor Napoleon, we believe 'the Lord was honored by the size of our request'.

Dr. Alvin Baker

**former professor of theology at Northeastern Bible College,
Essex Fells, New Jersey, who went to be with his Lord
October 7, 1999.**

Dr. Baker had a profound effect upon Dean Gavaris. Dr. Baker was the first to challenge Dean to apply the theological principles of the sanctity of human life to physical involvement in protecting the life of the preborn. He taught in the classroom and marched side by side with his students.

As the 1983 Northeastern Yearbook pointed out:
"Whether instructing a class in the depths of the doctrines of God's Word (above) or speaking out for the pro-life movement (below), Dr. Baker gave his all to the Lord's ministry."

"The memory of the righteous remains in blessings" (Prov.10:7)

"The remembrance of the righteous endures after his death, for he is thought of with thankfulness, because his works, rich in blessing, continue."
(Keil / Delitzsch)

To the memory of those killed or injured on September 11, 2001 - among them, Gateway supporters

Don and Jean Peterson

Their pastor said this: "I wasn't on that plane, but I believe I know what happened. At the end, I'm sure they were praying and ministering with the others, encouraging them to be right with the Lord," Loveland said. "That's what their lives were about."

John G. Ueltzhoeffer

Mr. Ueltzhoeffer was the Leader of the Men's Group of Christ Fellowship Church, Elizabeth, where he also taught classes in evangelism. He made missionary trips to the Dominican Republic.

Surviving are his wife, Ursula; a son, Jacob; daughters, Sarah and Rebekah; his mother, Mrs. Lillian Ueltzhoeffer, and a sister, Mrs. Helen Dillon.

He Read the Bible Daily And Loved Model Planes

...faith and the church community have made all the difference, Uschi Ueltzhoeffer said. The family attends Christ Fellowship Church in Elizabeth, where Ueltzhoeffer taught classes in the men's ministry. "He was very devoted to God," Ueltzhoeffer's wife said, "My kids say, 'Daddy is in heaven and one day we'll be there.'"

In addition to his wife and children, his mother, Lillian Ueltzhoeffer of Kenilworth, N.J., and sister, Helen Dillon of Hazlet, N.J., survive Ueltzhoeffer. -- Nedra Rhone (Newsday)

Gateway.org is dedicated to serving the needs of women with a **crisis pregnancy**. For nearly two decades Gateway Pregnancy Centers have been providing counseling for women and men in New Jersey who are in need of more than just physical help. A crisis pregnancy can be a difficult situation, but understanding your spiritual condition is the first step to dealing with the rest of your life.
